SUBJECT: ACWA-JPIA Executive Committee Vacancy

Dear Wayne,

It is with great enthusiasm that I respectfully request the MWDOC Board of Directors support of my candidacy to be considered for the current vacancy on the ACWA-JPIA Executive Committee.

I believe that my professional training, education, "hands-on" managerial experience plus extensive network of water industry contacts cultivated over the last 42 years would complement the ACWA-JPIA Executive Committee's focus, specifically:

- Past "hands-on" executive administrative responsibility for more than 27 years in ensuring retail agency compliance with all ACWA-JPIA insurance policies, directives and initiatives.
- Working closely with a variety of decision-makers at all levels of government to implement organizational policies and strategic goals;
- Detailed understanding of the complex public and private institutional relationships and the dynamics

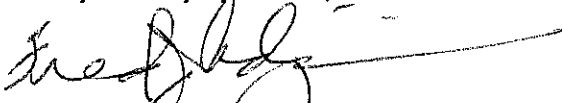

of insurance policy issues vis-à-vis California's water industry;

- A "team-player" oriented work ethic to accomplish annual policy and organizational work plan initiatives;
- Cultivator of collaborative and enduring working relationships with a broad spectrum of public/ and private water entities, agricultural, military, environmental and business community customer-client agency water stakeholders.

I regret that I am unable to attend the MWDOC Board of Directors March 15, 2017 meeting. I have a standing family medical commitment on Wednesdays to assist my mother-in-law. Please accept my sincere apologies, and thank each of your fellow Directors for their kind consideration my request!

Please let me know if your or any of the Board members should have any questions, or require additional information.

Very truly yours,

Frederick J. Adjarian
