Water Energy Education Alliance

Leadership Roundtable

JUNE 18 • 9:00 AM TO 12:00 PM

An Online Interactive Meeting for California Water, Energy, and Education Partners

Join us for an insightful discussion with an expert panel from the Los Angeles Department of Water & Power, the largest municipal utility in the U.S. The panelists will present their comprehensive workforce development efforts, which contribute to building a stronger L.A.

- Introductions and Updates
- Guest Panel: [Los Angeles Department of Water & Power](#)
- Facilitated Breakout Groups
